Allstate's Safe Driving Challenge

See how distractions - texting, eating, talking, and dealing with radio/mp3 players/CDs impact driving.

Get ready for the road with a hands on driving course!

Wear “beer goggles” and see how minor changes in visual perception can effect motor coordination and decision making processes.

Learn safe driving, earn community hours, have fun!

Teens must have a driver's permit and be accompanied by a parent or guardian.

Location: MCPL Centereach Parking Lot

Time: July 12th, 9am –Noon
