

Home for the Holidays pledge to drive safe this season...

Safe driving is an important issue for adults, but it is especially important for teens and beginning drivers. Middle Country Public Library and the Allstate Foundation have joined together to help educate parents and teens about safe driving with our Teens DriveSafe program, part of the Allstate Readiness Series here at Middle Country Public Library.

Pledge to be a safe driver this season and receive a packet filled with materials for you and your teen driver, including a Parent-Teen Driving Contract.

For more information concerning the *Home for the Holidays* pledge and upcoming Teens DriveSafe events, please ask at any adult reference desk during regular library hours.

Pledge hours are Saturday, 10am-Noon, on 12/3, 12/10, and 12/17 in the Centereach Lobby.

The Allstate Readiness Series is a year-long calendar of events sponsored by the Allstate Foundation and held at the library—focusing on issues such as catastrophe readiness, teen safe driving and financial empowerment.
