

BREAKFAST MEETING
Domestic Violence Legislation
How will it affect your business?

Friday, November 5, 2010
8:00 AM
MCPL - Centereach

Learn the signs of domestic violence and proactive steps employers can take to assist employees and maintain a safe work environment. During the 2009-2010 legislative period, 20 new laws went into effect designed to protect the rights of domestic violence victims. This program will highlight the new Domestic Violence legislation and its ramifications for the workplace.
