FALL 2015

ISLAND IDOL

The 12th annual Island Idol, the library's signature teen music festival, arrived on a beautiful summer evening in July. Thanks to generous sponsorship by King Kullen, Friends of the Middle Country Public Library, and the Allstate Foundation, approximately 350 community members were hugely entertained by our very talented teens. The judges evaluating their efforts were: Dr. Diana Cook, Director of Music and Fine Arts at the Middle Country Central School District; Victor LaBozzetta III, alumnus of Middle Country Schools, majoring in Percussion Performance at the Eastman School of Music; Dominick Ricciardi, former Sound Engineer for Cove City Sound and Upper Room Ministries; and Camile Arnone, local actress and director.
