Safe driving pledge

The Middle Country Public Library hosted a Teens DriveSafe pledge initiative in December as part of the Allstate Readiness Series. In an effort to build awareness and understanding of safe habits among young drivers, the library encouraged teens and their parents to sign a Parent-Teen Driving Contract developed by the Allstate Foundation. Pictured, from left, are: MCPL Assistant Director Sophia Serlis-McPhillips, Director Sandra Feinberg, and Allstate Regional representatives Waqas Durrani and Krista Conte.
